**High Concentration of Shareholding
in
Goldenmars Technology Holdings Limited (Stock Code: 3638)**

This announcement is made by the Securities and Futures Commission (“SFC”) in respect of the concentration of the shareholding of Goldenmars Technology Holdings Limited (“the Company”) in the hands of a limited number of shareholders as at 26 May 2016.

In view of the high concentration of shareholding in a small number of shareholders, shareholders and prospective investors should be aware that the price of the shares of the Company (“Shares”) could fluctuate substantially even with a small number of shares traded, and should exercise extreme caution when dealing in the Shares.

The SFC has recently completed an enquiry into the shareholding of the Company. Our findings suggested that as at 26 May 2016, a group of 17 shareholders held an aggregate of 839,748,000 Shares, representing 23.81% of the issued Shares. Such shareholding, together with an aggregate of 2,505,024,000 Shares (representing 71.04% of the issued Shares) held by the controlling shareholder, one executive director and one substantial shareholder of the Company, represented 94.85% of the issued Shares as at 26 May 2016. Therefore, only 181,788,000 Shares (representing 5.15% of the issued Shares) were held by other shareholders.

As at 26 May 2016, the shareholding structure of the Company was as follows:-

	Number of Shares held (Shares)	% of total number of issued Shares (%)
Forever Star Capital Limited (Note 1)	2,155,680,000	61.13
