Introduction

We have reviewed the interim financial information set out on pages 38 to 43, which comprises the condensed statement of financial position of Investor Compensation Fund (the Fund), established under Part XII of the Securities and Futures Ordinance, as at 30 September 2020 and the condensed statement of profit or loss and other comprehensive income, the condensed statement of changes in equity and the condensed statement of cash flows for the six-month period then ended, and a summary of significant accounting policies and other explanatory notes. The directors of the Securities and Futures Commission are responsible for the preparation and presentation of this interim financial information in accordance with Hong Kong Accounting Standard 34, Interim Financial Reporting issued by the Hong Kong Institute of Certified Public Accountants. Our responsibility is to express a conclusion on this interim financial information based on our review and to report our conclusion solely to you, as a body, in accordance with our agreed terms of engagement and for no other purpose. We do not assume responsibility towards or accept liability to any other person for the contents of this report.

Scope of review

We conducted our review in accordance with Hong Kong Standard on Review Engagements 2410, Review of Interim Financial Information Performed by the Independent Auditor of the Entity issued by the Hong Kong Institute of Certified Public Accountants. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Hong Kong Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Conclusion

Based on our review, nothing has come to our attention that causes us to believe that the interim financial information is not prepared, in all material respects, in accordance with Hong Kong Accounting Standard 34, Interim Financial Reporting.
