

Frequently Asked Questions relating to MPF Products

This FAQ is prepared by the Investment Products Division of the Securities and Futures Commission (the “SFC”) and aims to provide basic information to market practitioners in respect of mandatory provident fund (“MPF”) products, subject to the SFC Code on MPF Products (“MPF Code”) effective on 1 January 2019. Applicants are encouraged to contact the relevant case team in the Investment Products Division if in doubt on any specific issues arising from the application/interpretation of the MPF Code or this FAQ. Please note that each application for authorization is considered on a case-by-case basis.

The information set out below is not meant to be exhaustive. This FAQ may be updated and revised from time to time. This FAQ is only for general reference. Compliance with all the requirements in this FAQ does not necessarily mean an application will be accepted or authorization will be granted. The SFC reserves the rights to exercise all powers conferred under the law.

Unless otherwise defined herein, all capitalised terms shall have the meanings given to such terms in the MPF Code.

Note: For ease of reference, collective investment schemes that are referred to as “MPF products” in the following FAQ include MPF schemes, constituent funds and pooled investment funds.

Section 1A: FAQ in respect of application procedures for authorization of MPF products under the application lapse policy (For new MPF product applications received on or after 9 November 2015)

	Question	Answer
1.	This FAQ is obsolete and has been removed.	
1A.	The revised MPF Code will become effective on 1 January 2019 (“Effective Date”). Will there be any transition period for existing funds?	<p>A 12-month transition period from the Effective Date ending on 31 December 2019 will be provided for existing funds and existing management companies.</p> <p>For further details on the implementation and transition arrangements, please refer to the implementation schedule as set out in the revised Code on Unit Trusts and Mutual Funds (“UT Code”).</p>
2.	Will I need to obtain clearance on the application for authorization of new MPF products from the Mandatory Provident Fund Schemes Authority (“MPFA”) prior to formal submission to the SFC? Will the SFC reject to take-up the application if the submitted documents are different from the version cleared by the MPFA?	<p>The application process is a sequential approval process whereby any application for authorization of new MPF products must first be submitted to the MPFA for its review. The approval-in-principle letter (“AIP”) issued by the MPFA will be a prerequisite for making the application to the SFC and must be submitted to the SFC at the time of application. The 6-month application period will commence from the date the SFC formally takes up the application (“Take-up Date”) during which the SFC will process and review the application. The applicant must also confirm to the SFC that the submission is the same as the application which MPFA has granted the AIP and the applicant has separately confirmed the same to the MPFA.</p> <p>If the documents submitted to the SFC are different from the version which MPFA has granted AIP, the applicant should confirm that (i) it has received confirmation from the MPFA that the AIP granted remains valid although the documents submitted are different from the AIP version; and (ii) the documents submitted are marked-up against the version which MPFA has granted AIP.</p>

	Question	Answer

4.	Who can issue the Chinese translation confirmation?	<p>The Chinese translation confirmation may be issued by any of the following parties:</p> <ul style="list-style-type: none"> • a qualified lawyer in Hong Kong; • the board of directors of the applicant; • the head of the legal department or the compliance officer-in-charge of the applicant; or • such other person acceptable to the SFC.

	Question	Answer

5.	What are the applicable fees in respect of an MPF application? Is there any fee waiver?	<p>You will have to pay an application fee according to the tables below. Upon the granting of authorization, you will also have to pay an authorization fee and the first annual fee before authorization is effective.</p> <table border="1" data-bbox="985 941 2016 1181"> <thead> <tr> <th colspan="2" data-bbox="985 941 1254 1037"><u>Master Trust Scheme and Constituent Funds</u></th> <th data-bbox="1366 989 1657 1037"><u>Master Trust Scheme</u></th> <th data-bbox="1680 957 1993 1037">Each constituent fund <u>(see Note 1 below)</u></th> </tr> </thead> <tbody> <tr> <td data-bbox="985 1053 1254 1085">Application Fee¹</td> <td data-bbox="1276 1053 1344 1085">HK\$</td> <td data-bbox="1545 1053 1657 1085">40,000</td> <td data-bbox="1881 1053 1993 1085">5,000</td> </tr> <tr> <td data-bbox="985 1093 1254 1125">Authorization Fee²</td> <td data-bbox="1276 1093 1344 1125">HK\$</td> <td data-bbox="1545 1093 1657 1125">20,000</td> <td data-bbox="1881 1093 1993 1125">2,500</td> </tr> <tr> <td data-bbox="985 1133 1254 1165">Annual Fee³</td> <td data-bbox="1276 1133 1344 1165">HK\$</td> <td data-bbox="1545 1133 1657 1165">7,500</td> <td data-bbox="1881 1133 1993 1165">4,500</td> </tr> </tbody> </table>	<u>Master Trust Scheme and Constituent Funds</u>		<u>Master Trust Scheme</u>	Each constituent fund <u>(see Note 1 below)</u>	Application Fee ¹	HK\$	40,000	5,000	Authorization Fee ²	HK\$	20,000	2,500	Annual Fee ³	HK\$	7,500	4,500

	Question	Answer
6.	<p>Is the SFC's authorization required for updates to existing marketing/advertising materials which are already SFC-authorized?</p>	<p>For those marketing/advertising materials which have been granted authorization in respect of its issue and re-issue, as long as the updates are permitted under the authorization conditions specified in the SFC's authorization letter, no further authorization by, or filing with, the SFC is required.</p> <p>For all other updates/amendments (to the existing SFC-authorized marketing/advertising materials) which are not permitted under the original authorization conditions, authorization of the revised marketing/advertising materials by the SFC is required prior to their issuance. The updates/amendments of the marketing/advertising materials must be clearly marked against the previously authorized version for submission to the SFC.</p> <p>The MPF scheme provider must set out in detail and explain all these revisions for our consideration.</p>
7.	<p>When can the SFC be expected to respond to the applicant with comments in respect of an application for authorization of a single-page flyer advertisement or other marketing materials after the date of submission?</p>	<p>Any application for authorization of advertising material must be submitted to the SFC in good order and in suitably advanced form with allowance for a reasonable time for review. The SFC's overriding duty is to discharge its regulatory functions with a view to ensuring investor protection. Applicants are responsible for and must be mindful of their own commercial or external regulatory deadlines and should not expect the SFC to expedite processing in any circumstances.</p> <p>As a point of general guidance, for applications for authorization of a single-page flyer advertisement or other marketing materials, the SFC requires at least 2 business days from the date of the submission to review and revert with comments to the applicant, provided that the submission is in good order and in suitably advanced form. More complex or lengthier applications for authorization of advertising material may take longer to review and authorize.</p>

8.	When will the SFC take up an application after I have submitted my application?	<p>Generally, an application will only be taken up by the SFC when an applicant has submitted all relevant documents that meet the applicable requirements as mentioned in Q.3 above. If the SFC is not satisfied with the completeness or sufficiency of the information contained in the first submission package or considers that documents submitted are not in good order or otherwise not suitable for clearance, the package will be returned to the applicant and the application will not be taken up. The SFC also reserves the right not to take up an application if such application is accompanied by documents that do not meet the requirements of the MPF Code in any material aspect.</p> <p>The SFC will also refuse to take up an application where:</p> <ul style="list-style-type: none"> • the applicant has not obtained the AIP from the MPFA on the application for the new MPF products; or • the documents submitted are different from the version which MPFA has granted AIP and MPFA has not confirmed the AIP would remain valid for the different version of the documents. <p>In general, the Investment Products Division will issue an acknowledgement of take-up (“Take-up Letter”) within 5 business days upon receipt of the Application Form, Compliance Checklist and all the necessary documents in support of the application, to inform the applicant that the SFC will process the application. As mentioned in Q.2, the Take-up Date is the date on which the SFC formally takes up the application. The applicant is expected to submit the applicable application fee as mentioned in Q.5 above as soon as practicable upon receipt of the Take-Up Letter from the SFC, and shall contact its SFC case team to discuss the payment arrangement. Once the application fee is paid, it will not be refunded.</p> <p>For further details on the application process, please refer to the separate Q.12 below.</p>

	Question	Answer
8A.	<p>What are the requirements for submitting documents and application fee in support of a new MPF product application to the SFC?</p>	<p>To commence an application, various documents, including, for example, offering documents, completed compliance checklist and confirmations, as well as the application fee are required to be submitted to the SFC.</p> <p>A) <u>Submission of application documents by soft copy only</u></p> <p>Applicants are no longer required to submit hard copy of application-related documents. Instead, applicants shall submit all application-related documents by soft copy only.</p> <p>The official receipt date of a new MPF application shall be a business day on which the full and complete set of soft copy documents is received by the SFC at or before 6 pm (after which the receipt date will be deemed as the following business day).</p> <p>B) <u>Alternatives for signing application documents</u></p> <p>Option 1: We will accept submission of un-signed copies of the relevant application forms, compliance checklists, confirmations and other relevant documents (the “Relevant Forms”), which are required to be completed, as applicable, by an applicant, trustee / custodian, investment manager, investment delegate of the MPF products or other parties, provided that the Relevant Forms shall be submitted with an email confirmation (from a person who meets the signatory requirements) that all information and, where applicable, confirmations and undertakings contained in the Relevant Forms (and all documents submitted relating thereto) are true and accurate.</p> <p>Option 2: An applicant may submit scanned copies of the Relevant Forms signed by a person who meets the signatory requirements.</p> <p>For the avoidance of doubt, submission of hard copies of the Relevant Forms is not required under both options.</p>

	Question	Answer
		<p>C) <u>Taking up new MPF application(s) with application fee(s) to follow</u></p> <p>The SFC will take up new MPF applications if they are in good order and the application fee is the only outstanding matter. An applicant is expected to submit the application fee as soon as practicable upon receipt of the Take-up Letter from the SFC, and shall contact its SFC case team to discuss the payment arrangement.</p>
9.	<p>For new MPF product applications, are there any time limits within which an applicant needs to respond to the SFC's requisition(s)?</p>	<p>Yes. The applicants are expected to provide proper and quality submissions at the time of application and throughout the application process in a timely manner.</p> <p>In the First Requisition (and the subsequent requisition(s)) issued by the SFC (if any), the applicant will be reminded of the time limits ("Response Time Limits") within which proper, complete and substantive responses should be submitted to the SFC in response to its requisition(s).</p> <p>If no authorization is granted by the SFC within 14 business days from the Take-up Date, a First Requisition will be issued to the applicant in which the Response Time Limits will be set out therein. For your reference, applicants are required to (a) provide proper, complete and substantive response(s) to the SFC within 14 business days from the date of the First Requisition; and (b) provide proper, complete and substantive response(s) to all of the SFC's subsequent requisition(s) (if any) within 10 business days.</p> <p>"First Requisition" refers to the preliminary response/requisition that may be issued by the SFC within 14 business days from the Take-up Date with respect to a new MPF product application.</p>

	Question	Answer
10.	What would happen if an applicant fails to meet the Response Time Limits?	<p>In general, all applications after obtaining AIP from the MPFA should be well-prepared in compliance with all applicable requirements for clearance by the SFC. As such, the SFC expects the applicant to be able to respond to its subsequent requisitions within a reasonable period so as to achieve an efficient and effective authorization process. Unless there is an exceptional reason, the applicant is expected to respond to the SFC's requisition(s) within the relevant Response Time Limits mentioned in Q.9 above. Therefore, where an applicant has not responded or provided proper, complete and substantive response to address the First Requisition and all the SFC's subsequent requisition(s) to the SFC's satisfaction within the applicable Response Time Limits, the SFC would be minded to refuse the application.</p>
11.	Will the SFC extend the Response Time Limits?	<p>In general, co-operation and commitment from the applicants to put in place adequate and dedicated internal resources throughout the application process is expected by the SFC to enhance the overall authorization process.</p> <p>Any extension of the Response Time Limits would only be granted by the SFC in limited cases with proper justifications. The mere fact that further liaison/communication with other key operating parties is required by the applicant in addressing the SFC's requisition(s) will not generally be considered as satisfactory grounds for the SFC in granting an extension of the relevant Response Time Limits.</p>
12.	<p>Will my application be liable to refusal by the SFC under any circumstances apart from failure to meet the relevant Response Time Limits in addressing the SFC's requisitions?</p> <p>Also, will my application lapse after a certain period of time? If so, how long? What should I do if my application has lapsed? In case of re-</p>	<p>Yes. After the Take-up Date and at any time during the vetting process, in cases of non-compliance with any key requirement(s), the application is liable to be refused by the SFC where appropriate so that there is efficient use of resources for processing proper applications.</p> <p>Reference is made to the circulars entitled "Application lapse policy" dated 9 October 2015 and "Formal adoption of the six-month application lapse policy for SFC-authorized mandatory provident fund (MPF) products and pooled retirement</p>

	Question	Answer
	<p>submission to the SFC, do I need to obtain MPFA's AIP again?</p>	<p>funds (PRFs)" dated 22 April 2016 respectively issued by the Investment Products Division. If, for any reason, 6 months have elapsed from the Take-up Date (the "6-month Period") and no authorization by the SFC has been granted, the application will lapse subject to the SFC's right to grant an extension at its sole discretion. The application fee in respect of the application will not be refunded to the applicant. In general, the SFC will only consider granting an extension in limited circumstances (see Q.13 below). For applications that are processed under the application lapse policy, applicants will be reminded that the application will in general lapse at the expiry of the 6-month Period in the First Requisition (if issued by the SFC). For illustration on the application process, applicants may refer to the flow chart entitled "<u>Flow chart showing the application process for new MPF product applications</u>".</p> <p>Once the application has lapsed or been refused, if the applicant wishes to seek authorization of the MPF product, it shall discuss with the MPFA whether the previously granted AIP would remain valid and confirm the same to the SFC, otherwise the applicant should obtain another AIP from the MPFA. The subsequent submission to the SFC will be treated as a new application whereupon the applicant will need to pay the application fee for the new application and repeat the SFC's application procedures.</p> <p>Please see Q.14 for the factors which the SFC may take into account when considering as to whether authorization should be granted to a collective investment scheme and/or for the issue of its relevant offering document(s).</p>
13.	<p>Will the SFC extend the application beyond the 6-month Period?</p>	<p>In general, the answer is no. Any extension of the application period may be granted by the SFC where there is no substantive outstanding issue at the time of the extension, except for the receipt of the response from overseas regulator by the SFC in the case where overseas regulatory check has to be conducted on the overseas delegate(s) of the investment manager. In general, the SFC will only consider granting an extension under exceptional circumstances upon the submission of satisfactory grounds by the applicant.</p>

	Question	Answer
14.	<p>What would the SFC take into account when considering whether to grant authorization of a collective investment scheme and/or for the issue of its relevant offering document(s)?</p>	<p>Under Part IV of the Securities and Futures Ordinance, on an application to the SFC, the SFC may, where it considers appropriate, authorize any collective investment scheme, and/or authorize the issue of any offering document or advertisement in respect of a collective investment scheme, subject to any conditions the SFC considers appropriate.</p> <p>The SFC may take any factor into account as it considers appropriate. Without prejudice to the generality of this right, when considering whether to grant authorization, the SFC may take into account, among other things, the following:</p> <ul style="list-style-type: none"> (i) whether all requisite information and documents have been submitted, in all cases to the SFC's satisfaction; (ii) compliance with the MPF Code; (iii) any past record of non-compliance with the MPF Code on the part of any relevant party to the application, refusal/rejection of application, or involuntary revocation/withdrawal of authorization in respect of a prior application made relating to a product with materially similar structure or features. <p>Parties to the application are urged to refer to the MPF Code including any Frequently Asked Questions published by the SFC from time to time.</p>
15.	<p>Will the MPFA be informed about the SFC's comments on the submitted documents? Do I need to do any filing or communicate with the MPFA after the SFC has granted authorization? If the MPFA has comments on the offering documents authorized by the SFC, do I need to obtain further approval from the SFC?</p>	<p>During the review process by the SFC, the SFC will keep the MPFA informed of any key and material issues (e.g. the acceptability of an investment manager not currently managing SFC-authorized collective investment schemes, lapse of the application) noted by the SFC.</p> <p>After the SFC has granted conditional authorization, the applicant should send to the MPFA the offering documents conditionally authorized by the SFC reflecting changes appropriately tracked against the version that MPFA has granted AIP for the MPFA's final review.</p>

	Question	Answer
		<p>In case of any changes made to the offering documents during the MPFA's final review, applicant should notify the SFC promptly and in general, if the content and format of the revised offering documents remain fundamentally the same as the SFC's authorized version, no further approval from the SFC would be required.</p>
16.	<p>What does the applicant need to submit to the SFC after the SFC has granted authorization with conditions to the new MPF product application in order for the authorization to become effective?</p>	<p>Under section 104(1) and section 105(1) of the Securities and Futures Ordinance, the SFC may, where it considers appropriate, authorize an MPF product and, where applicable, the issue of its offering document respectively, subject to such conditions as the SFC considers appropriate.</p> <p>For the authorization of an MPF product and, where applicable, its offering document ("Authorization") to become effective, the applicant is required to fully comply with all the conditions that are required to be satisfied for the Authorization to take effect as set out in the SFC's authorization letter ("Authorization Letter"). In particular, a key condition will be the granting of final approval by the MPFA (which is the primary regulator of the MPF products) in order for the Authorization to become effective.</p> <p>For the Authorization to become effective, the applicant must submit to the SFC a duly completed and executed Confirmation of Fulfilment of Authorization Conditions (a standard form of the confirmation is set out in Annex I to the Compliance Checklist) together with the required documents as stated in the Authorization Letter.</p>

Section 2: Others

	Question	Answer
1.	Can we use gifts in promoting our MPF products?	In order to help protect investors from being distracted by the gifts without paying sufficient attention to the features and risks of the specific investment product, all marketing materials of investment products authorized by the SFC should not contain an offer of gift, other than a discount of fees and charges, in promoting a specific investment product.
2.	Is an approved pooled investment fund ("APIF") required to prepare a Products Key Facts Statement?	<p>The requirement to prepare a Products Key Facts Statement is set out in the SFC Products Handbook, including the Code on Unit Trusts and Mutual Funds ("UT Code"). Accordingly, all schemes that are governed by the UT Code are required to issue Product Key Facts Statements ("KFS") as part of their offering to the public in Hong Kong. This means that where an APIF is authorized for sale to both the public in Hong Kong and to Mandatory Provident Fund schemes, and is therefore also authorized pursuant to the UT Code, it is required to issue a KFS when the APIF is being distributed to the public.</p> <p>However, the UT Code requirement to issue a KFS is <u>not</u> applicable to an APIF which is solely offered to Mandatory Provident Fund schemes and authorized pursuant to the MPF Code only.</p>
3.	If additional performance information is inserted into the previously authorized fund fact sheet of an SFC-authorized MPF scheme and/or its constituent funds pursuant to regulatory requirements, do we need to submit the revised fund fact sheet(s) to the SFC for prior approval?	<p>Revisions to the previously authorized fund fact sheet of an SFC-authorized MPF scheme and/or its constituent funds by inserting additional performance information which solely reflect the regulatory requirements may be re-issued, without further authorization, provided that the content and format remain fundamentally the same as the previously authorized version.</p> <p>For example, as many of the MPF schemes and their constituent funds are approaching or had approached an establishment period of 10 years, their periodic rate of return over the period of 10 years are required to be disclosed pursuant to the MPFA requirements. Insertion of additional performance</p>

	Question	Answer
		<p>information into the fund fact sheet to reflect solely such regulatory requirements do not require the SFC's prior approval. The revised fund fact sheet must, nevertheless, be filed with the SFC within one week from the date of issuance.</p>
4.	<p>To the extent that changes are made to the offering documents of an MPF scheme pursuant to legislative amendments which have been promulgated publicly and/or regulatory requirements issued by the relevant regulators in Hong Kong (the "Amendment(s)"), what are the requirements under the MPF Code for (i) the revisions (if any) to the existing MPF scheme offering documents and/or (ii) scheme changes in connection with the Amendments?</p>	<p><u>Revised Offering Documents of SFC-authorized MPF Schemes</u></p> <p>If the changes to the offering documents are made solely to reflect the Amendment(s) and the content and format of such documents remain fundamentally the same as the version previously authorized, then such changes do not require the SFC's prior approval and the filing requirements under 8.2B of the MPF Code shall be followed.</p> <p>Otherwise, the revised offering documents will need to be submitted to the SFC for prior approval in accordance with the usual procedures/requirements.</p> <p><u>Scheme Changes</u></p> <p>Given that the Amendments are requirements pursuant to legislative changes which have been promulgated publicly and/or regulatory requirements issued by the relevant regulators in Hong Kong, changes to the offering documents of an MPF scheme which are made solely to reflect the Amendment(s) do not fall within 8.2 of the MPF Code. Accordingly, these changes do not require the SFC's prior approval and the notice requirement under 8.2A of the MPF Code does not apply. However, MPF issuers are reminded (as this may also be required by the MPFA) to put in place appropriate and effective means of communications in order to keep scheme participants informed of any such changes to the offering documents of an MPF scheme as regards the Amendment(s).</p> <p>Please note that the SFC's comments given above do not include, or intend to include, any relevant requirements under the MPF legislation or by the MPFA. It is the responsibility of an MPF issuer to ensure that these are complied with.</p>

5.	This FAQ is obsolete and has been removed.	
5A.	Will changes made to the offering documents which are consequential to the proposed changes subject to SFC's prior approval under 8.2 of the MPF Code ("8.2 Scheme Change(s)") require the SFC's prior approval?	Where the 8.2 Scheme Change(s) are subject to the SFC's prior approval, any consequential amendments to the offering documents (e.g. new risk factor(s) due to change in investment policy and/or strategy) will also be subject to the SFC's prior approval except for the related administrative changes (e.g. update on the address of the newly appointed investment manager in the offering documents, change of logo of the investment manager provided such change is not misleading to investors). As such, MPF issuer should also properly set out the consequential changes to the relevant 8.2 Scheme Change(s) in a clear and succinct manner in the relevant application form for authorization of the revised offering documents.
6.	Does (i) an amendment to an MPF product in the nature of clarifications or enhancement of its investment objectives, policies and restrictions; (ii) a change or an extension of an MPF product's dealing deadline and/or frequency; or (iii) a reduction of an MPF product's fees and charges from the current level, require prior approval from the SFC pursuant to 8.2(c) of the MPF Code? Would prior notice be required to be provided to the scheme participants or fund holders regarding the amendments and/or changes?	<p>Scheme changes which can satisfy the Overriding Requirements (as defined below) would not generally be regarded as material changes for the purposes of 8.2(c) of the MPF Code.</p> <p>Set out below are the overriding principles and requirements ("Overriding Requirements") that must be satisfied in order for any changes to be not regarded as material changes for the purposes of 8.2(c) of the MPF Code and do not require the SFC's prior approval:</p> <ul style="list-style-type: none"> • the changes do not amount to a material change to the MPF product; • there will be no material change or increase in the overall risk profile of the MPF product following the changes; and • the changes do not have a material adverse impact on scheme participants' or fund holders' rights or interests (including changes that may limit the scheme participants' or fund holders' ability in exercising their rights). <p>Below are some illustrative examples:</p>
