THE PROPOSAL

The Scheme will provide that the Scheme Shares be cancelled in exchange for the payment to the Scheme Shareholders of the Cancellation Price of HK\$0.93 in cash for each Scheme Share to be paid by the Joint Offerors to the Scheme Shareholders whose names appear on the register of members of the Company on the Record Date.

Under the Proposal, the Company will also declare a Special Dividend of HK\$0.07 which, subject to (i) the passing of an ordinary resolution by a simple majority of the votes cast by the Shareholders present and voting in person or by proxy at the EGM to approve the Special Dividend; and (ii) the Scheme having become binding and effective in accordance with its terms and conditions, shall be payable to the Shareholders whose names appear on the register of members of the Company on the Record Date, including PCB.

PCB has undertaken (to the extent permitted under Takeovers Code, the Listing Rules and applicable laws and regulations) to exercise or procure the exercise of the voting rights in respect of the Shares held by PCB immediately prior to the Scheme becoming effective to vote in favour of the ordinary resolution at the EGM to approve the Special Dividend. **Accordingly, if the Scheme becomes binding and effective in accordance with its terms and conditions, the Scheme Shareholders whose names appear on the register of members of the Company on the Record Date will receive a total of HK\$1.00 in cash per Scheme Share under the Proposal comprising:**

Cancellation Price	HK\$0.93 per Scheme Share
Special Dividend	HK\$0.07 per Scheme Share
Total	HK\$1.00 per Scheme Share

The Cancellation Price will not be increased, and the Joint Offerors do not reserve the right to do so. Shareholders, Share Award Holders and potential investors should be aware that, following the making of this statement, the Joint Offerors will not be allowed to increase the Cancellation Price, except in wholly exceptional circumstances in accordance with Rule 18.3 of the Takeovers Code.

Pursuant to the Joint Offerors Agreement, upon the Scheme becoming effective, the Company will be owned as to approximately 29.00% and 71.00% by Puga and PCB, respectively, and the listing of the Shares will be withdrawn from the Stock Exchange.

CONDITIONS OF THE PROPOSAL AND THE SCHEME

The implementation of the Proposal and the Scheme will be conditional upon the fulfilment or waiver, as applicable, of all the Conditions as described in the section headed “Conditions of the Proposal and the Scheme” below. All of the Conditions must be fulfilled or waived, as applicable, on or before the Long Stop Date, failing which the Proposal and the Scheme will lapse.

THE JOINT OFFERORS AGREEMENT AND THE SHAREHOLDER ARRANGEMENTS

The Joint Offerors have entered into the Joint Offerors Agreement on December 18, 2024 pursuant to which the Joint Offerors agreed that, upon the Scheme having become binding and effective in accordance with its terms and conditions, (i) in addition to its existing shareholding in the Company, PCB will acquire a further 170,400,000 Shares (representing approximately 7.10% of the issued Shares) under the Proposal, thereby increasing its shareholding in the Company to 1,703,949,989 Shares (representing approximately 71.00% of the issued Shares); and (ii) Puga will acquire 696,050,011 Shares (representing approximately 29.00% of the issued Shares) under the Proposal.

The Cancellation Price and the Special Dividend

The Proposal will provide that each of the Scheme Shares be cancelled in exchange for the payment of the Cancellation Price of HK\$0.93 per Scheme Share, which shall be paid by the Joint Offerors to the Scheme Shareholders (including the Disinterested Shareholders) whose names appear on the register of members of the Company on the Record Date.

Under the Proposal, the Company will also declare a Special Dividend of HK\$0.07 which, subject to (i) the passing of an ordinary resolution by a simple majority of the votes cast by the Shareholders present and voting in person or by proxy at the EGM to approve the Special Dividend; and (ii) the Scheme having become binding and effective in accordance with its terms and conditions, shall be payable to the Shareholders whose names appear on the register of members of the Company on the Record Date, including PCB.

PCB has undertaken (to the extent permitted under Takeovers Code, the Listing Rules and applicable laws and regulations) to exercise or procure the exercise of the voting rights in respect of the Shares held by PCB immediately prior to the Scheme becoming effective to vote in favour of the ordinary

resolution at the EGM to approve the Special Dividend. **Accordingly, if the Scheme becomes binding and effective in accordance with its terms and conditions, the Scheme Shareholders whose names appear on the register of members of the Company on the Record Date will receive a total of HK\$1.00 in cash per Scheme Share under the Proposal comprising:**

Cancellation PriceHK\$0.93 per Scheme Share

Special Dividend HK\$0.07 per Scheme Share

Total HK\$1.00 per Scheme Share

As at the Announcement Date, the Company has 2,400,000,000 Shares in issue. Save for the Shares (including the Awarded Shares), the Company does not have any outstanding options, warrants, derivatives, convertible securities or other relevant securities (as defined in Note 4 to Rule 22 of the Takeovers Code).

If, after the Announcement Date, any dividend and/or other distribution and/or other return of capital other than the Special Dividend is announced, declared or paid in respect of the Shares, the Joint Offerors reserve the right to reduce the Cancellation Price by all or any part of the amount or value of such dividend, distribution and/or, as the case may be, return of capital after consultation with the Executive, in which case any reference in this announcement, the Scheme Document or any other announcement or document to the Cancellation Price will be deemed to be a reference to the Cancellation Price as so reduced. The Company has confirmed that, other than the Special Dividend, it does not intend to announce, declare or pay any dividend, distribution or other return of capital before the Long Stop Date or the lapse, withdrawal or termination of the Scheme (whichever is earlier). As at the Announcement Date, the Company has no declared but unpaid dividends and/or other distribution and/or other return of capital.

No price increase statement

The Cancellation Price will not be increased, and the Joint Offerors do not reserve the right to do so. Shareholders, Share Award Holders and potential investors should be aware that, following the making of this statement, the Joint Offerors will not be allowed to increase the Cancellation Price, except in wholly exceptional circumstances in accordance with Rule 18.3 of the Takeovers Code.

Comparisons of value

The share price of the Company started experiencing an increase at relatively high volume on December 2, 2024 and then a sharp increase of 19.4% on December 3, 2024 (being the Last Trading Day). To exclude the distortions of such unusual price and volume movements, comparisons of value are therefore also made against the Last Undisturbed Day.

The premium of (i) the Cancellation Price, and (ii) the Cancellation Price *plus* Special Dividend, relative to the respective closing price of the Shares at the Last Undisturbed Day, the audited consolidated net asset value attributable to Shareholders per Share (“NAV per Share”) as at

December 31, 2023, and the unaudited consolidated net asset value attributable to Shareholders per Share as at September 30, 2024, was as follows:

Note: The NAV per Share was derived based on an exchange rate of MYR to HKD of 1:1.70 as at December 31, 2023 and 1:1.89 as at September 30, 2024.

The table below sets out the premiums of (i) the Cancellation Price of HK\$0.93 per Scheme Share; and (ii) the Cancellation Price *plus* Special Dividend of HK\$1.00 per Scheme Share respectively compared to various benchmarks, including historical trading prices of the Shares and the audited and unaudited consolidated net asset values attributable to Shareholders:

Total Cancellation Price and Total Special Dividend Payable to Scheme Shareholders

As at the Announcement Date, the Company has 2,400,000,000 Shares in issue. The 866,450,011 Scheme Shares represents approximately 36.10% of the total number of Shares in issue of the Company.

On the assumption that there is no other change in the shareholding structure of the Company before the completion of the Proposal, the total amount of cash consideration required to effect the Scheme will be HK\$805,798,510 (representing the aggregate Cancellation Price payable under the Scheme), which will be funded by the Joint Offerors in proportion to the percentage of the Scheme Shares to be acquired by each of the Joint Offerors under the Proposal.

On the assumption that there is no other change in the shareholding structure of the Company before the completion of the Proposal, subject to (i) the passing of an ordinary resolution by a simple majority of the votes cast by the Shareholders present and voting in person or by proxy at the EGM to approve the Special Dividend; and (ii) the Scheme having become binding and effective in accordance with its terms and conditions, the total amount of Special Dividend payable to the Scheme Shareholders will be HK\$60,651,501, which will be funded by the Company.

The sum of total Cancellation Price and total Special Dividend payable to Scheme Shareholders amounts to HK\$866,450,011, the payment of which will be subject to satisfaction of their respective conditions.

Financial Resources

Payment of the Cancellation Price under the Scheme by the Joint Offerors will be funded entirely by the internal resources of the Joint Offerors in proportion to the percentage of the Scheme Shares to be acquired by each of the Joint Offerors under the Proposal.

Payment of the Special Dividend by the Company will be funded by the internal cash resources of the Company.

Altus, as financial adviser to the Joint Offerors, is satisfied that sufficient financial resources are available to (i) the Joint Offerors to satisfy the Cancellation Price under the Proposal; and (ii) the Company to satisfy the Special Dividend for the Scheme Shareholders.

CONDITIONS OF THE PROPOSAL AND THE SCHEME

The implementation of the Proposal is, and the Scheme will become effective and binding on the Company and all Shareholders, subject to the fulfilment or waiver (as applicable) of the following Conditions:

- (a) the approval of the Scheme (by way of poll) by the Scheme Shareholders representing not less than 75% in value of the Scheme Shares held by the Scheme Shareholders present and voting either in person or by proxy at the Court Meeting;
- (b) the approval of the Scheme (by way of poll) by Disinterested Shareholders holding at least 75% of the votes attaching to the Scheme Shares held by Disinterested Shareholders that are voted either in person or by proxy at the Court Meeting, provided that the number of votes cast (by way of poll) by the Disinterested Shareholders present and voting either in person or by proxy at the Court Meeting against the resolution to approve the Scheme at the Court Meeting is not more than 10% of the votes attaching to the Scheme Shares held by all Disinterested Shareholders;
- (c) the passing of (i) a special resolution by a majority of not less than three-fourths of the votes cast by the Shareholders present and voting in person or by proxy at the EGM to approve and give effect to any reduction of the share capital of the Company as a result of the cancellation and extinguishment of the Scheme Shares; and (ii) an ordinary resolution by a simple majority of the votes cast by the Shareholders present and voting in person or by proxy at the EGM to approve the simultaneous maintenance of the share capital of the Company at the amount prior to the cancellation of the Scheme Shares by the issuance at par to the Joint Offerors, credited as fully paid, such number of new Shares as is equal to the number of Scheme Shares cancelled, and applying the reserve created as a result of the aforesaid cancellation of the Scheme Shares to pay up in full at par the new Shares so issued, credited as fully paid, for issuance to the Joint Offerors;
- (d) the Grand Court's sanction of the Scheme (with or without modifications) and, to the extent necessary, its confirmation of any reduction of the share capital of the Company, and the delivery

to the Registrar of Companies in the Cayman Islands of a copy of the order of the Grand Court for registration;

- (e) compliance, to the extent necessary, with the procedural requirements and conditions, if any, under Sections 15 and 16 of the Companies Act in relation to any reduction of the issued share capital of the Company;
- (f) all necessary authorisations, registrations, filings, rulings, consents, opinions, permissions and approvals in connection with the Proposal having been obtained from, given by or made with (as the case may be) the Relevant Authorities, in the Cayman Islands, Hong Kong and any other relevant jurisdictions;
- (g) all necessary authorisations, registrations, filings, rulings, consents, opinions, permissions and approvals in connection with the Proposal remaining in full force and effect without variation, and all necessary statutory or regulatory obligations in all relevant jurisdictions having been complied with and no requirement having been imposed by any Relevant Authorities which is not expressly provided for, or is in addition to requirements expressly provided for, in relevant laws, rules, regulations or codes in connection with the Proposal or any matters, documents (including circulars) or things relating thereto, in each aforesaid case up to and at the time when the Scheme becomes effective;
- (h) all necessary consents which may be required for the implementation of the Proposal and the Scheme under any existing contractual obligations of the Company having been obtained or waived by the relevant party(ies), where any failure to obtain such consent or waiver would have a material adverse effect on the business of the Group;
- (i) no government, governmental, quasi-governmental, statutory or regulatory body, court or agency in any jurisdiction having taken or instituted any action, proceeding, suit, investigation or enquiry or enacted, made or proposed, and there not continuing to be outstanding, any statute, regulation, demand or order that would make the Proposal or the Scheme or its implementation in accordance with its terms void, unenforceable, illegal or impracticable (or which would impose any material and adverse conditions or obligations with respect to the Proposal or the Scheme or its implementation in accordance with its terms), other than such actions, proceedings, suits, investigations or enquiries as would not have a material adverse effect on the legal ability of the Joint Offerors to proceed with the Proposal or the Scheme;
- (j) since the Announcement Date, there having been no adverse change in the business, assets, prospects, profits, losses, results of operations, financial position or condition of the Group (to an extent which is material in the context of the Group taken as a whole or in the context of the Proposal or the Scheme);

- (k) there being no material breach of the representations and warranties made by the Company under the Implementation Agreement as at the date of the Implementation Agreement, the date of despatch of the Scheme Document and the effective date of the Scheme, or the date as otherwise specified in the relevant representations and warranties, by reference to the facts and circumstances existing at such dates; and
- (l) there being no material breach of the representations and warranties made by the Joint Offerors under the Implementation Agreement as at the date of the Implementation Agreement, the date of despatch of the Scheme Document and the effective date of the Scheme, or the date as otherwise specified in the relevant representations and warranties, by reference to the facts and circumstances existing at such dates.

The Joint Offerors reserve the right to waive conditions (f), (g), (h), (i), (j) and (k) either in whole or in part, either generally or in respect of any particular matter. Conditions (a) to (e) cannot be waived in any event. Pursuant to Note 2 to Rule 30.1 of the Takeovers Code, the Joint Offerors may only invoke any or all of the Conditions as a basis for not proceeding with the Scheme if the circumstances which give rise to the right to invoke any such Condition are of material significance to the Joint Offerors in the context of the Proposal. The Company reserves the right to waive condition (l) either in whole or in part, either generally or in respect of any particular matter.

All of the above Conditions will have to be fulfilled or waived, as applicable, on or before the Long Stop Date, failing which the Proposal and the Scheme will lapse.

In respect of Condition (f) and (g), as at the Announcement Date, other than those set out in Conditions (a) to (e) (inclusive), the Joint Offerors and the Company are not aware of any necessary authorisations, registrations, filings, rulings, consents, opinions, permissions and approvals required for the Proposal. As at the Announcement Date, the Joint Offerors and the Company are not aware of any circumstances which may result in Conditions (h), (i), (j), (k) and (l) not being satisfied.

Warning: Shareholders, Share Award Holders and potential investors should be aware that the implementation of the Proposal and the Scheme is subject to the Conditions being fulfilled or waived, as applicable, and thus the Proposal may or may not be implemented and the Scheme may or may not become effective. Shareholders, Share Award Holders and potential investors should therefore exercise caution when dealing in the securities of the Company. Persons who are in doubt as to the action they should take should consult their stockbroker, bank manager, solicitor or other professional advisers.

Notes:

1. The Shares held by PCB will not form part of the Scheme Shares and therefore, PCB will not be able to vote on the Scheme at the Court Meeting. Upon the Scheme becoming effective, PCB will acquire a further 170,400,000 Shares (representing approximately 7.10% of the issued Shares) under the Scheme and increase its shareholding in the Company to approximately 71.00%.
2. Mr. Chuah, the executive director and chairman of the Company and the executive chairman of PCB, is considered to be acting in concert with the Joint Offerors. The Shares held by Mr. Chuah will form part of the Scheme Shares and will be cancelled and extinguished upon the Scheme becoming effective. The vote of Mr. Chuah will not be counted as a vote of a Disinterested Shareholder in determining whether the requirements under Condition (b) under the section headed “Conditions of the Proposal and the Scheme” (as required under Rule 2.10 of the Takeovers Code) are satisfied.
3. Ms. Gan, the executive director of the Company and an executive director of PCB, is considered to be acting in concert with the Joint Offerors. The Shares held by Ms. Gan will form part of the Scheme Shares and will be cancelled and extinguished upon the Scheme becoming effective. The vote of Ms. Gan will not be counted as a vote of a Disinterested Shareholder in determining whether the requirements under Condition (b) under the section headed “Conditions of the Proposal and the Scheme” (as required under Rule 2.10 of the Takeovers Code) are satisfied. In addition to the 7,622,544 Shares held by Ms. Gan, she is also interested in 835,000 Awarded Shares under the Share Award Scheme, which comprise (i) 695,000 vested Awarded Shares that are held by the Trustee for her; and (ii) 140,000 granted but unvested Awarded Shares (of which 100,000, 20,000 and 20,000 Awarded Shares shall vest on July 1, 2025, August 7, 2025 and August 7, 2026, respectively, subject to the fulfilment of relevant vesting conditions).
4. Mr. Leng, the non-executive director of the Company and a non-independent non-executive director of PCB, is considered to be acting in concert with the Joint Offerors. The Shares held by Mr. Leng will form part of the Scheme Shares and will be cancelled and extinguished upon the Scheme becoming effective. The vote of Mr. Leng will not be counted as a vote of a Disinterested Shareholder in determining whether the requirements under Condition (b) under the section headed “Conditions of the Proposal and the Scheme” (as required under Rule 2.10 of the Takeovers Code) are satisfied.
5. Dato’ Loh Nam Hooi, a non-independent non-executive director of PCB, is considered to be acting in concert with the Joint Offerors. The Shares held by Dato’ Loh Nam Hooi will form part of the Scheme Shares and will be cancelled and extinguished upon the Scheme becoming effective. The vote of Dato’ Loh Nam Hooi will not be counted as a vote of a Disinterested Shareholder in determining whether the requirements under Condition (b) under the section headed “Conditions of the Proposal and the Scheme” (as required under Rule 2.10 of the Takeovers Code) are satisfied.
6. Although the Trustee is not controlled by the Company and/or any of the Joint Offerors Concert Parties, as its principal purpose is to hold the Trustee Held Shares for the sole purpose of satisfying the awards under the Share Award Scheme, which is in turn administered by the Board, it is considered to be acting in concert with the Joint Offerors. As at the Announcement Date, the Trustee holds 64,067,740 Trustee Held Shares pursuant to the Share Award Scheme in respect of which 35,816,716 Shares are Trustee Held Awarded Shares held for Share Award Holders (other than Share Award Holders who are Joint Offerors Concert Parties) whose awards have vested. The remaining 28,251,024 Shares are held on trust by the Trustee for (i) Share Award Holders who are Joint Offerors Concert Parties whose awards have vested (namely, the 695,000 Awarded Shares held for Ms. Gan); (ii) Share Award Holders whose awards have not yet vested as at the Announcement Date (including, for the avoidance of doubt, the 140,000 Awarded Shares held for Ms. Gan); and (iii) as Trustee Held Pool Shares. The Trustee has undertaken to the Company that it will only exercise voting rights in respect of the 35,816,716 Trustee Held Awarded

Shares according to the express instructions of the relevant Share Award Holders and that it will not have any discretionary voting powers in respect of such Shares. Accordingly, such 35,816,716 Trustee Held Awarded Shares are included as Shares held by Disinterested Shareholders. In respect of the remaining 28,251,024 Shares, notwithstanding the Trustee is the legal registered holder of such Shares, as the Trustee is considered to be acting in concert with the Joint Offerors, such Shares are not considered to be Shares held by Disinterested Shareholders and will not be voted on in respect of the resolution to approve the Scheme at the Court Meeting and at the EGM. This is on the assumption that none of the vested Trustee Held Awarded Shares are transferred to the relevant Share Award Holder in accordance with the rules of the Share Award scheme on or prior to the Meeting Record Date.

It is expected that, during the offer period, the Trustee will not acquire further Shares to satisfy the share awards.

7. All percentages in the above table are approximations and rounded to the nearest 2 decimal places. The aggregate percentages may not add up due to such rounding.
8. As at the Announcement Date, Dr. Chuah Jin Chong, an independent non-executive Director, holds 112,000 Shares. Dr. Chuah is a Disinterested Shareholder and his Shares will form part of the Scheme Shares and will be cancelled upon the Scheme becoming effective. Save as disclosed, no other Directors hold any Shares as at the Announcement Date.
9. Under the Scheme, the Scheme Shares will, on the Effective Date, be cancelled and extinguished. Simultaneously with such cancellation and extinguishment, the share capital of the Company will be maintained by the issuance at par to the Joint Offerors, credited as fully paid, of the aggregate number of Shares equal to the number of Scheme Shares cancelled pursuant to the Scheme. The reserve created in the Company's books of account as a result of the cancellation of the Scheme Shares will be applied in paying up in full at par the new Shares so issued, credited as fully paid, to the Joint Offerors.
10. Scheme Shares are the Shares held by the Shareholders, other than those held by PCB. For the avoidance of doubt, the Shares held by (i) Mr. Chuah; (ii) Ms. Gan; (iii) Mr. Leng; (iv) Dato' Loh Nam Hooi and (v) Dr. Chuah Jin Chong will form part of the Scheme Shares and will be cancelled and extinguished upon the Scheme becoming effective.

Save as disclosed below, none of the Joint Offerors and the Joint Offerors Concert Parties has dealt for value in any Shares or any convertible securities, warrants, options or derivatives in respect of any Shares during the six months prior to the Announcement Date and up to and including the Announcement Date:

Notes:

1. Ms. Gan, the executive director of the Company and an executive director of PCB, is considered to be acting in concert with the Joint Offerors.
2. The Shares were vested with Ms. Gan pursuant to the rules of the Share Award Scheme.
3. On August 7, 2024, the Company granted awards involving 6,035,000 Awarded Shares to selected employees (including Ms. Gan) in accordance with the terms of the Share Award Scheme.
4. Although the Trustee is not controlled by the Company and/or any of the Joint Offerors Concert Parties, as its principal purpose is to hold the Trustee Held Shares for the sole purpose of satisfying the awards under the Share Award Scheme, which is in turn administered by the Board, it is considered to be acting in concert with the Joint Offerors.
5. In the case of the Trustee, as multiple transactions were executed throughout each day, the actual transaction price per Share represents the average price per Share for the sale and/or purchase of Shares on the relevant date. The Trustee has confirmed to the Company that during the period disclosed, it did not acquire Shares at a price higher than the Cancellation Price of HK\$0.93.

THE IMPLEMENTATION AGREEMENT

On December 18, 2024, the Joint Offerors and the Company entered into the Implementation Agreement, pursuant to which the Joint Offerors requested the Board to put forward the Proposal to the holders of Scheme Shares.

Pursuant to the Implementation Agreement, conditional upon the release of this announcement, each of the Joint Offerors and the Company has agreed, among other things, to use all commercially reasonable endeavours to implement the Proposal. The Company has undertaken to do all things as are reasonably necessary to implement the Scheme, and the Joint Offerors have undertaken to provide necessary assistance that the Company may reasonably request in connection with the implementation of the Scheme.

Pursuant to the Implementation Agreement, the Company has undertaken, among other things, that subject to certain exclusions in the Implementation Agreement, it will not (and will procure that each member of the Group will not), without the prior consent of the Joint Offerors (such consent not to be unreasonably withheld or delayed), conduct its business other than in the ordinary and usual course as set forth in the Implementation Agreement during the period between the date of the Implementation Agreement and the earlier of the Effective Date and the date of termination of the Implementation Agreement.

Subject to the Takeovers Code, the Joint Offerors and the Company have agreed to bear certain costs and expenses incurred by them in connection with the implementation of the Proposal in the manner as set forth in the Implementation Agreement.

Under the terms of the Implementation Agreement, the Implementation Agreement will terminate if the Proposal and the Scheme are not implemented by the Long Stop Date. The Joint Offerors will be entitled to terminate the Implementation Agreement following the non-satisfaction of any Condition (which cannot be waived or is not waived by the Joint Offerors in accordance with the terms of the Proposal), or if the recommendation of the directors of the Company as to whether the Scheme Shareholders should vote to approve the Proposal at the Court Meeting and at the EGM contained in the Scheme Document is withdrawn at any time prior to the Grand Court's sanction of the Scheme and confirmation of the reduction of the share capital of the Company, or upon a material breach of any warranty by the Company. The Company will be entitled to terminate the Implementation Agreement upon a material breach of any warranty by the Joint Offerors.

THE JOINT OFFERORS AGREEMENT AND THE SHAREHOLDER ARRANGEMENTS

The Joint Offerors Agreement

As at the Announcement Date, PCB holds 1,533,549,989 Shares, representing approximately 63.90% of the issued Shares. The Joint Offerors have entered into the Joint Offerors Agreement on December 18, 2024, pursuant to which the Joint Offerors agreed to make the Proposal to the Board and request the Board to put forward the Proposal to the Scheme Shareholders and that, upon the Scheme having

become binding and effective in accordance with its terms and conditions, (i) in addition to its existing shareholding in the Company, PCB will acquire a further 170,400,000 Shares (representing approximately 7.10% of the issued Shares) under the Proposal, thereby increasing its shareholding in the Company to 1,703,949,989 Shares (representing approximately 71.00% of the issued Shares); and (ii) Puga will acquire 696,050,011 Shares (representing approximately 29.00% of the issued Shares) under the Proposal.

Pursuant to the Joint Offerors Agreement, the Joint Offerors have agreed, among other things, that (a) each Joint Offeror undertakes to contribute sufficient financial resources to fulfill its obligation to pay the Cancellation Price in proportion to the percentage of the Scheme Shares to be acquired by such party under the Proposal, to discharge its obligation of contribution on a several but not joint basis and be solely responsible for all obligations and liabilities in relation to the arrangement in connection with its financial resources, and to arrange such financing as necessary to satisfy its commitment to the reasonable satisfaction of the financial adviser to the Joint Offerors, notwithstanding that PCB has agreed to bear 70% of the out-of-pocket costs and expenses incurred in connection with the Proposal by the Joint Offerors and the Investors; (b) all decisions relating to the Proposal will be jointly made by Puga and PCB; (c) each Joint Offeror shall use its reasonable endeavors to do (or procure to be done), and to assist and co-operate with each other in doing, all things reasonably necessary, proper or advisable to consummate and make effective, as promptly as practicable, the Proposal; (d) each Joint Offeror shall cooperate with each other and their professional advisers and proceed in good faith to consummate the Proposal and to consult with each other and to keep each other fully informed of any relevant material developments and the status of implementation in respect of the Proposal; and (e) each Joint Offeror acknowledges and agrees that it shall be fully responsible for ensuring the accuracy of all statements of fact furnished or confirmed by it in each of the transaction documents relating to it and its associates.

Pursuant to the Joint Offerors Agreement, (a) PCB has undertaken, to the extent permitted under the Takeovers Code, the Listing Rules and applicable laws and regulations, to exercise, or, as the case may be, to procure the exercise of the voting rights in respect of the Shares held by PCB immediately prior to the Scheme becoming effective on resolutions in relation to the implementation of the Proposal to vote in favour of all resolutions which are necessary to implement the Scheme proposed at the EGM (including the ordinary resolution at the EGM to approve the Special Dividend), and that it shall take all actions necessary to implement the Proposal; and (b) PCB has further undertaken that, during the period between the date of the Joint Offerors Agreement and the earlier of the Scheme becomes effective, lapses or is withdrawn, it shall comply with certain dealing restrictions and refrain from doing any prejudicial actions, including not, directly or indirectly, sell, transfer, charge, encumber, grant any option over or otherwise dispose of any interest in any of the Shares held by PCB immediately prior to the Scheme becoming effective, nor to accept any other offer in respect of all or any of such Shares.

The Joint Offerors Agreement will be terminated if the Scheme lapses or is withdrawn, terminated, rescinded by the Joint Offerors or is finally dismissed, refused or rejected by the Grand Court.

The Shareholder Arrangements

Pursuant to the Joint Offerors Agreement, the Joint Offerors have also agreed to enter into the Shareholders' Agreement, which sets out the Joint Offerors' mutual agreement on the arrangements pertaining to the management and governance of the Company upon the Scheme becoming effective within 5 Business Days after the withdrawal of listing of the Shares on the Stock Exchange subject to the Scheme becoming effective.

The Shareholder Arrangements contemplate that the Board will establish an IPO steering committee to oversee and approve any matters in connection with the implementation of an IPO of the Company within four years from the effective date of the Scheme (or such other dates to be agreed between the Joint Offerors). As at the Announcement Date, the Joint Offerors have not agreed on any proposal or material terms with respect to the implementation of any separate listing of the Company (including whether the IPO will be conducted in Hong Kong or elsewhere or whether it is an IPO of the same Company).

SHARE AWARD SCHEME

As at the Announcement Date, there were a total of 64,067,740 Trustee Held Shares under the Share Award Scheme, which comprise:

- (a) 36,511,716 Shares were held as Trustee Held Awarded Shares which are granted and vested with the designated Share Award Holders but not yet transferred to the designated Share Award Holders, of which, 695,000 Shares were held for Ms. Gan, a Joint Offerors Concert Party, and the remaining 35,816,716 Shares were held for other employee grantees, none of whom are Joint Offerors Concert Parties;
- (b) 6,468,933 Shares were held as Trustee Held Awarded Shares which are granted but yet to be vested with the designated Share Award Holders (including, for the avoidance of doubt, the 140,000 Shares held for Ms. Gan); and
- (c) 21,087,091 Shares were held as Trustee Held Pool Shares that are unutilised under the Share Award Scheme.

In respect of the Trustee Held Awarded Shares which have been granted but yet to be vested with the designated Share Award Holders, the vesting schedule of the relevant awards is as follows:

Name of Share Award Holder	Total number of Unvested Share Awards	Date of Grant	Vesting Date	No. of Share Awards
Ms. Gan	140,000	July 1, 2023	July 1, 2025	100,000
		August 7, 2024	August 7, 2025	20,000
			August 7, 2026	20,000
Employees (in aggregate)	6,328,933	July 1, 2023	July 1, 2025	2,345,599

	August 7, 2024	August 7, 2025	1,991,667
		August 7, 2026	1,991,667

The Trustee is wholly owned by an independent third party of the Company and has been engaged by the Company as the trustee of the Share Award Scheme to assist with the administration of the Share Award Scheme (including purchasing, administering, and holding the Shares for the Share Award Scheme). Although the Trustee is not controlled by the Company and/or any of the Joint Offerors Concert Parties, as its principal purpose is to hold the Trustee Held Shares for the sole purpose of satisfying the awards under the Share Award Scheme, which is in turn administered by the Board, it is considered to be acting in concert with the Joint Offerors.

In respect of the 64,067,740 Trustee Held Shares:

- (i) 35,816,716 Shares are Trustee Held Awarded Shares held for Share Award Holders who are not Joint Offerors Concert Parties and whose awards have vested;
- (ii) the remaining 28,251,024 Shares are held on trust by the Trustee:
 - (a) as to 695,000 Shares, being Trustee Held Awarded Shares held for Ms. Gan, a Joint Offerors Concert Party, as a Share Award Holder where such awards have vested;
 - (b) as to 6,468,933 Shares for Share Award Holders whose awards have not yet vested as at the Announcement Date (including, for the avoidance of doubt, the 140,000 Shares held for Ms. Gan); and
 - (c) as to 21,087,091 as Trustee Held Pool Shares.

The Trustee has undertaken to the Company that it will only exercise voting rights in respect of the 35,816,716 Trustee Held Awarded Shares set out in (i) above according to the express instructions of the relevant Share Award Holders and that it will not have any discretionary voting powers in respect of such Shares. Accordingly, such 35,816,716 Trustee Held Awarded Shares are included as Shares held by Disinterested Shareholders. In respect of the remaining 28,251,024 Shares as set out in (ii) above, notwithstanding the Trustee is the legal registered holder of such Shares, as the Trustee is considered to be acting in concert with the Joint Offerors, such Shares are not considered to be Shares held by Disinterested Shareholders and will not be voted on in respect of the resolution to approve the Scheme at the Court Meeting.

However, if any Trustee Held Awarded Shares (i) which have vested but where the relevant Shares have not yet been transferred or (ii) become vested prior to the Meeting Record Date (as the case may be), and the corresponding Shares are transferred by the Trustee to the relevant holder of Awarded Shares (other than Ms. Gan) prior to the Meeting Record Date, any such Share may be voted by the relevant Shareholder at the Court Meeting and the EGM. As at the Announcement Date, the Trustee has not received any instructions from the Share Award Holders in respect of the transfer of Trustee Held Awarded Shares which have been granted and vested with the designated Share Award Holders. Any transfer of vested Awarded Shares is subject to instructions which may be initiated by the relevant Share Award Holders and there is no deadline under the rules of the Share Award Scheme for such

transfer. For the avoidance of doubt, as Ms. Gan, the executive director of the Company and an executive director of PCB, is considered to be acting in concert with the Joint Offerors, the vote of Ms. Gan will not be counted as a vote of a Disinterested Shareholder in determining whether the requirements under Condition (b) under the section headed “Conditions of the Proposal and the Scheme” (as required under Rule 2.10 of the Takeovers Code) are satisfied, notwithstanding that such Shares form part of the Scheme Shares. Save and except for Ms. Gan’s interest in the 835,000 Trustee Held Awarded Shares (including 695,000 vested Awarded Shares and 140,000 granted but unvested Awarded Shares held by the Trustee for Ms. Gan under the Share Award Scheme), no other Joint Offerors Concert Parties are interested in any Awarded Shares, whether vested but not yet transferred and/or unvested.

Conditional upon the Scheme becoming effective and the passing of an ordinary resolution by a simple majority of the votes cast by the Shareholders present and voting in person or by proxy at the EGM to approve the Special Dividend, the Trustee shall receive an amount equivalent to the sum of the Cancellation Price and the Special Dividend multiplied by the number of the Trustee Held Shares, which:

- (a) for the amount which corresponds to the Trustee Held Awarded Shares, shall be held on trust by the Trustee for the relevant holders of Awarded Shares and shall be payable by the Trustee to such holders; and
- (b) for the amount which corresponds to the Trustee Held Pool Shares, shall be paid by the Trustee to the Company after the Trustee receives such amount in accordance with the terms of the Trust Deed.

It is expected that, during the offer period, the Trustee will not acquire further Shares to satisfy the awards.

SPECIAL DIVIDEND

Under the Proposal, the Company will declare a Special Dividend of HK\$0.07 which, subject to (i) the passing of an ordinary resolution by a simple majority of the votes cast by the Shareholders present and voting in person or by proxy at the EGM to approve the Special Dividend; and (ii) the Scheme having become binding and effective in accordance with its terms and conditions, shall be payable in cash to the Shareholders whose names appear on the register of members of the Company on the Record Date, including PCB. None of the foregoing conditions to the payment of the Special Dividend can be waived.

The Board recommended the amount of the Special Dividend of HK\$0.07, subject to the conditions of the Special Dividend being satisfied on or before the Long Stop Date.

Pursuant to the Joint Offerors Agreement, PCB (which holds 1,533,549,989 Shares representing approximately 63.90% of the issued Shares as at the Announcement Date) has undertaken, to the extent permitted under the Takeovers Code, the Listing Rules and applicable laws and regulations, to exercise, or, as the case may be, to procure the exercise of the voting rights in respect of the Shares held by PCB immediately prior to the Scheme becoming effective to vote in favour of the ordinary resolution at the EGM to approve the Special Dividend.

The Special Dividend will be paid by the Company to the Shareholders in cash after the Scheme having become binding and effective in accordance with its terms and conditions and will be paid on the same date on which the Cancellation Price will be paid by the Joint Offerors to the Scheme Shareholders.

The Scheme Document, which will be despatched to the Shareholders in due course, will contain further details of the Special Dividend, including but not limited to the arrangements regarding the payment of the Special Dividend, overseas shareholders' entitlements, and the expected timetable of the Special Dividend.

Shareholders, Share Award Holders and potential investors should be aware that the implementation of the Proposal and the Scheme is subject to the Conditions being fulfilled or waived, as applicable, and thus the Proposal may or may not be implemented and the Scheme may or may not become effective.

Shareholders, Share Award Holders and potential investors of the Company should be aware that the payment of the Special Dividend is in turn subject to, amongst other things, the Scheme having become binding and effective in accordance with its terms and conditions. Accordingly, the Special Dividend may or may not materialise. Shareholders, Share Award Holders and potential investors of the Company should therefore exercise caution when dealing in securities of the Company. Persons who are in doubt as to the action they should take should consult their stockbroker, bank manager, solicitor or other professional advisers.

INDEPENDENT BOARD COMMITTEE

The Independent Board Committee, which comprises independent non-executive directors of the Company who are not Joint Offerors Concert Parties, namely Dr. Chuah Jin Chong, Ms. Chan May May and Mr. Sim Seng Loong @ Tai Seng, has been established by the Board to make a recommendation to the Disinterested Shareholders as to whether the terms of the Proposal and the Scheme are fair and reasonable and as to voting at the Court Meeting and the EGM.

Pursuant to Rule 2.8 of the Takeovers Code, the Independent Board Committee is required to comprise all non-executive directors of the Company who have no direct or indirect interest in the matters to be considered by the Independent Board Committee, other than as a Shareholder. Mr. Leng is the non-executive director of the Company and is also a non-independent non-executive director and a shareholder of PCB. He is therefore considered to be acting in concert with the Joint Offerors and is therefore not a member of the Independent Board Committee.

INDEPENDENT FINANCIAL ADVISER

The Independent Financial Adviser will be appointed by the Board with the approval of the Independent Board Committee in due course (i) to advise the Independent Board Committee on the Proposal and the Scheme pursuant to Rule 2.1 of the Takeovers Code; and (ii) to report on the unaudited consolidated financial results of the Group for the nine months ended September 30, 2024 published by the Company on November 7, 2024 pursuant to Rule 10.3(d) of the Takeovers Code. A further announcement will be made after the appointment of the Independent Financial Adviser.

THE JOINT OFFERORS' INTENTION REGARDING THE COMPANY

The Joint Offerors intend for the Group's existing operations to continue without disruption, regardless of the Proposal or its completion. Subject to the Group's business requirements and prevailing market conditions, the Joint Offerors may explore various opportunities to further develop the Group's business, enhance efficiency and create long-term shareholder value.

REASONS FOR AND BENEFITS OF THE PROPOSAL

The Joint Offerors are of the view that the terms of the Proposal are attractive and beneficial to the Scheme Shareholders and the Company. The reasons and benefits of the Proposal are elaborated as follows:

For the Scheme Shareholders:

Unlocking value at a premium

The Proposal provides Scheme Shareholders with an opportunity to monetise their investments at a significant premium to the market price. The Cancellation Price represents a premium of approximately 45.3% over the closing price of HK\$0.640 per Share on the Last Undisturbed Day, and a premium of approximately 42.6% and 40.3% over the average closing prices of HK\$0.652 and HK\$0.663 per Share over the 30-day and 60-day periods leading up to and including the Last Undisturbed Day, respectively. Additional details can be found in the section headed "Comparisons of Value".

Opportunity to fully monetise investments amid limited liquidity

The Shares have experienced consistently low trading volumes over a prolonged period over two years, making it difficult for Scheme Shareholders to make substantial disposals without impacting the Share price. The average daily trading volume for the 6, 12, and 24 months prior to and including the Last Trading Day represented only approximately 0.138%, 0.083%, and 0.066% of the Company's issued Shares. The Joint Offerors recognise this challenge faced by Scheme Shareholders and believes the Proposal offers them a rare and immediate opportunity to fully realise their investments, providing liquidity and funds that can be reinvested in other opportunities.

Realising gains in uncertain market conditions

The Proposal allows Scheme Shareholders to exit their investments for cash during a period of heightened market volatility, driven by global geopolitical tensions and fluctuating investor sentiment. The Hong Kong equity market, in particular, has been volatile, with the Hang Seng Index having declined approximately 36.6% from its peak in 2021 up to the Last Undisturbed Day. In this uncertain climate, the Proposal provides a clear path for Shareholders to realise funds and secure liquidity.

For the Company

The Company's persistently low trading volumes and lack of public equity raising since its 2017 initial public offering highlight the inefficiencies of its current listing status. Moreover, the Company's shares have traded at a significantly lower price-to-earnings ("P/E") multiple compared to its parent company, which is listed on Bursa Malaysia. As the Company constitutes a significant portion of its parent company (such as over 95% of its revenue for its financial year ended December 31, 2023 and over 85% of its assets as at December 31, 2023), the disparity in their prevailing P/E multiples reflects the significant market undervaluation of the Company on the Stock Exchange. Given this and the limited benefits derived, the costs and regulatory requirements of maintaining a listing on the Main Board of the Stock Exchange are no longer justified.

AchiCapital engages in private equity investment with a strong focus on the semiconductor and technology industry and are positioned to bring substantial strategic advantages and synergies to the Company, potentially driving growth through its network and industry expertise. Given its listed status, the presence of PCB strengthens the Company's access to both equity and debt capital markets, thereby enhancing the Company's ability to secure future financing, if required. While the Company, as subsidiary to PCB, will remain part of a publicly listed group, the Proposal will nevertheless allow the Company to streamline operations and reduce compliance costs, and provide Scheme Shareholders with a premium to market exit, creating a win-win outcome for all parties involved.

THE CONSORTIUM AGREEMENT

On October 31, 2024, the Investors entered into the Consortium Agreement in connection with the implementation of the Proposal.

Pursuant to the Consortium Agreement, each of the Investors would make cash contribution to Puga in proportion to their respective percentage ownerships in Puga for the purpose of satisfying in full Puga's obligations in respect of the Cancellation Price payable for 29.00% of the issued Shares under the Proposal.

The Consortium Agreement shall terminate in accordance with its terms (a) upon the completion of the Proposal or (b) upon a written agreement by the parties to terminate the Consortium Agreement or (c) on the Long Stop Date, whichever is earlier.

WITHDRAWAL OF LISTING OF SHARES

Upon the Scheme becoming effective, all Scheme Shares will be cancelled and the share certificates for the Scheme Shares will thereafter cease to have effect as documents or evidence of title. The Company will apply to the Stock Exchange for the withdrawal of the listing of the Shares on the Stock Exchange in accordance with Rule 6.15 of the Listing Rules immediately following the Scheme becoming effective.

The Scheme Shareholders will be notified by way of an announcement of the exact date of the last day for dealing in the Shares and on which the Scheme and the withdrawal of the listing of the Shares on the Stock Exchange will become effective. A detailed timetable of the Scheme will be included in the Scheme Document, which will also contain, inter alia, further details of the Scheme.

IF THE SCHEME IS NOT APPROVED OR THE PROPOSAL LAPSES

The listing of the Shares on the Stock Exchange will not be withdrawn if the Scheme does not become effective or the Proposal otherwise lapses.

If the Scheme is not approved or the Proposal otherwise lapses, there are restrictions under Rule 31.1 of the Takeovers Code on making subsequent offers, to the effect that, neither the Joint Offerors nor any person who acted in concert with them in the course of the Proposal (nor any person who is subsequently acting in concert with any of them) may, within 12 months from the date on which the Scheme is not approved or the Proposal otherwise lapses, (i) announce an offer or possible offer for the Company, or (ii) acquire any voting rights of the Company if the Joint Offerors or the Joint Offerors Concert Parties would thereby become obliged under Rule 26 of the Takeovers Code to make an offer, in each case except with the consent of the Executive.

OVERSEAS SHAREHOLDERS

The making of the Proposal to Scheme Shareholders who are not resident in Hong Kong may be subject to the laws of the relevant jurisdictions in which such Scheme Shareholders are located. Such Scheme Shareholders should inform themselves about and observe any applicable legal, tax or regulatory requirements.

It is the responsibility of any overseas Scheme Shareholders wishing to take any action in relation to the Proposal to satisfy themselves as to the full observance of the laws of the relevant jurisdiction in connection therewith, including the obtaining of any governmental, exchange control or other consents which may be required, or the compliance with other necessary formalities and the payment of any issue, transfer or other taxes due in such jurisdiction.

Any acceptance by the Scheme Shareholders will be deemed to constitute a representation and warranty from such persons to the Joint Offerors and the Company and their respective advisers (including Altus) that those laws and regulatory requirements have been complied with. If you are in doubt as to your position, you should consult your professional advisers.

In the event that the despatch of the Scheme Document to overseas Scheme Shareholders is prohibited by any relevant law or regulation or may only be effected after compliance with conditions or requirements that the directors of the Joint Offerors or the Board regard as unduly onerous or burdensome (or otherwise not in the best interests of the Joint Offerors or the Company or their respective shareholders), the Scheme Document may not be despatched to such overseas Scheme Shareholders. For that purpose, the Company will apply for a waiver pursuant to Note 3 to Rule 8 of the Takeovers Code at such time. Any such waiver will only be granted if the Executive is satisfied that it would be unduly burdensome to despatch the Scheme Document to such overseas Scheme Shareholders. In granting the waiver, the Executive will be concerned to see that all material information in the Scheme Document is made available to such Scheme Shareholders. For the avoidance of doubt, the Executive may or may not grant such waiver under Note 3 to Rule 8 of the Takeovers Code upon receiving the Company's application for such waiver.

TAXATION ADVICE

It is emphasised that none of the Joint Offerors, the Joint Offerors Concert Parties, the Company and Altus or any of their respective directors, officers or associates or any other person involved in the Proposal accepts responsibility (other than in respect of themselves, if applicable) for any taxation effects on, or liabilities of, any persons as a result of their acceptance or rejection of the Proposal.

“Responsibilities of stockbrokers, banks and other intermediaries

Stockbrokers, banks and others who deal in relevant securities on behalf of clients have a general duty to ensure, so far as they are able, that those clients are aware of the disclosure obligations attaching to associates of an offeror or the offeree company and other persons under Rule 22 and that those clients are willing to comply with them. However, this does not apply when the total value of dealings (excluding stamp duty and commission) in any relevant security undertaken for a client during any 7 day period is less than \$1 million.

This dispensation does not alter the obligation of principals, associates and other persons themselves to initiate disclosure of their own dealings, whatever total value is involved.

Intermediaries are expected to co-operate with the Executive in its dealings enquiries. Therefore, those who deal in relevant securities should appreciate that stockbrokers and other intermediaries will supply the Executive with relevant information as to those dealings, including identities of clients, as part of that co-operation.”
