WHITEWASH WAIVER

As at the date of this announcement, the Top Group Concert Group holds 406,478,940 Shares, representing approximately 45.75% of the issued Shares as at the date of this announcement. Pursuant to Rule 32 of the Takeovers Code and Rule 6 of the Share Buy-backs Code, if as a result of a share buy-back, a Shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition for the purposes of the Takeovers Code.

Depending on the level of acceptances received from the Accepting Shareholders pursuant to the Offer, taking into account the Irrevocable Undertakings and assuming that no Share Options will be exercised by their holders prior to completion of the Offer and all the Conditions are fulfilled, the aggregate interests of the Top Group Concert Group may increase to a maximum level of approximately [51.55]% upon completion of the Offer, thereby triggering an obligation under Rule 26 of the Takeovers Code for Top Group to make a mandatory general offer for all the Shares not already owned by it and parties acting in concert with it. Accordingly, an application will be made to the Executive by Top Group for the Whitewash Waiver.

GENERAL

The EGM will be convened and held for the purposes of considering and, if thought fit, approving the Offer and the Whitewash Waiver. The Top Group Concert Group will abstain from voting on the resolutions in respect of the Offer and the Whitewash Waiver to be proposed at the EGM.

The Independent Board Committee, comprising all the independent non-executive Directors, namely Mr. Lee Hon Ying, John, Mr. Peh Jefferson Tun Lu, Mr. Mak Wing Sum, Alvin and Mr. Ann Yu Chiu Andy, who have no interest in the Offer and the Whitewash Waiver, has been formed to advise the Independent Shareholders in respect of the Offer and the Whitewash Waiver. WARNING: The Offer is subject to all of the Conditions being fulfilled in full. If the Whitewash Waiver is not granted by the Executive, or if the resolutions to approve the Offer or the Whitewash Waiver are not passed by the Independent Shareholders, the Offer will not proceed and will immediately lapse.

It should be noted that dealings in the Shares will continue notwithstanding that any of the Conditions may remain unfulfilled, and that persons dealing in the Shares will bear the risk that the Offer may lapse.

Shareholders are advised to consider the detailed terms of the Offer and the Whitewash Waiver and read, among other things, the letter from the Independent Board Committee and the letter of advice from the Independent Financial Adviser to the Independent Board Committee to be contained in the Offer Document before deciding whether to vote for or against the resolutions in respect of the Offer and the Whitewash Waiver to be proposed at the EGM. Shareholders should also note that their voting decision on the resolutions in respect of the Offer and the Whitewash Waiver to be proposed at the EGM shall not affect their decision as to whether to accept the Offer or not. SALIENT TERMS OF THE OFFER

TC3.5(a)

The salient terms of the Offer are as follows:

- (a) Somerley will make the Offer to the Shareholders on behalf of the Company to buy-back the Shares, up to the Maximum Number, at the Offer Price;
- (b) Shareholders may accept the Offer in respect of any number of their Shares at the Offer Price up to their entire shareholding (subject to the procedures for scaling down and the treatment of fractions described under the section headed “*Other Terms of the Offer*” below);
- (c) The Offer is not conditional upon a minimum number of Shares being tendered for buy-back;
- (d) All Shares validly tendered will be bought-back to the extent that the aggregate number of Shares bought-back pursuant to the Offer will not thereby exceed the Maximum Number. If the number of Shares validly tendered exceeds the Maximum Number, the number of Shares to be bought-back from each Accepting Shareholder will be reduced proportionally so that the number of Shares bought-back by the Company in aggregate is equal to the Maximum Number. Further details of the procedures for scaling down are described under the section headed “*Other Terms of the Offer*” below;

- (f) Shares will be bought-back in cash, free of commission, levies and dealing charges, save that the amount of seller’s *ad valorem* stamp duty due on the Shares bought-back attributable to the Accepting Shareholders will be deducted from the amount payable to the Accepting Shareholders and will be paid by the Company on behalf of the Accepting Shareholders. The Company will arrange for payment of the seller’s *ad valorem* stamp duty on behalf of the Accepting Shareholders in respect of the Offer;

- (h) Shares will be bought-back free from all liens, charges, encumbrances, equitable interests, rights of pre-emption or other third party rights of any nature. Accordingly, the submission of a Form of Acceptance by an Accepting Shareholder will be deemed to constitute a warranty by that Accepting Shareholder to Somerley and the Company that the Shares are being sold free from all liens, charges, encumbrances, equitable interests, rights of pre-emption or other third party rights of any nature and together with all rights accruing or attaching thereto, including, without limitation, the right to receive dividends and other distributions declared, made or paid, if any, on or after the date of their cancellation. As at the date of this announcement,

there are no dividends or other distributions declared by the Company that have not been paid.

- (e) a discount of approximately [10.8]% to the Group’s net asset value attributable to the Shareholders of approximately HK\$2.41 per Share pursuant to the latest audited consolidated financial statements of the Company as at 31 December 2023, calculated based on the audited consolidated net asset value attributable to the Shareholders of HK\$2,145,348,000 as at 31 December 2023 and Shares in issue as at the date of this announcement.

The Offer Price was determined after taking into account, among other things, the historical prices of the Shares traded on the Stock Exchange, historical financial information of the Company, and the prevailing market conditions and sentiments, and with reference to share buy-back transactions in Hong Kong in recent years.

The Company will not increase the Offer Price. Shareholders and potential investors of the Company should be aware that, following the making of this statement, the Company will not be allowed to increase the Offer Price. The Company does not reserve the right to increase the Offer Price.

CONFIRMATION OF FINANCIAL RESOURCES

At the Offer Price, the Offer, if accepted in full, will result in the Company paying HK\$[215] million in aggregate to the Accepting Shareholders in cash which will be funded by the internal resources of the Group. Somerley is satisfied that the Company has sufficient financial resources to enable it to satisfy acceptances of the Offer in full.

CONDITIONS OF THE OFFER

The Offer will be conditional upon fulfilment of all of the following Conditions:

- (a) the approval by more than 50% of the votes cast by the Independent Shareholders, voting in person or by proxy, by way of a poll having been obtained at the EGM in respect of the Offer;
- (b) the approval by at least 75% of the votes cast by the Independent Shareholders, voting in person or by proxy, by way of a poll having been obtained at the EGM in respect of the Whitewash Waiver; and
- (c) the Executive granting the Whitewash Waiver and the satisfaction of any condition attached to the Whitewash Waiver and the Whitewash Waiver not having been revoked or withdrawn.

None of the above Conditions can be waived.

The Top Group Concert Group and those who are involved in or interested in the Whitewash Waiver and/or the Offer (other than as a Shareholder) will abstain from voting on the resolutions in respect of the Offer and the Whitewash Waiver to be proposed at the EGM.

WARNING: The Offer is subject to all of the Conditions being fulfilled in full. If the Whitewash Waiver is not granted by the Executive, or if the resolutions to approve the Offer or the Whitewash Waiver are not passed by the Independent Shareholders, the Offer will not proceed and will immediately lapse.

It should be noted that dealings in the Shares will continue notwithstanding that any of the Conditions may remain unfulfilled, and that persons dealing in the Shares will bear the risk that the Offer may lapse.

Shareholders are advised to consider the detailed terms of the Offer and the Whitewash Waiver and read, among other things, the letter from the Independent Board Committee and the letter of advice from the Independent Financial Adviser to the Independent Board Committee to be contained in the Offer Document before deciding whether to vote for or against the resolutions in respect of the Offer and the Whitewash Waiver to be proposed at the EGM. Shareholders should also note that their voting decision on the resolutions in respect of the Offer and the Whitewash Waiver to be proposed at the EGM shall not affect their decision as to whether to accept the Offer or not. If Shareholders are in any doubt as to any aspect of the Offer and the Whitewash Waiver or as to the action to be taken, they should seek independent professional advice.

Shareholders and potential investors are advised to exercise caution when dealing in the Shares and should consult their professional advisers when in doubt.

Pursuant to Rule 5.1 of the Share Buy-backs Code and Rule 15.3 of the Takeovers Code, if the Offer is declared unconditional, Shareholders who have not tendered their Shares for acceptance will be able to tender their Shares for acceptance under the Offer for a period of 14 days thereafter.

OTHER TERMS OF THE OFFER

Shareholders may accept the Offer in respect of some or all of their shareholding. If valid acceptances are received for the Maximum Number or fewer Shares, all Shares validly accepted will be bought-back. If valid acceptances received exceed the Maximum Number, the total number of Shares to be bought-back by the Company from each Accepting Shareholder will be determined in accordance with the following formula:

$$\frac{A}{B} \times C$$

A = [100,000,000], being the Maximum Number

B = Total number of Shares tendered by all Accepting Shareholders under the Offer

C = Total number of Shares tendered by the relevant individual Accepting Shareholder under the Offer

As a result, it is possible that not all of such Shares tendered by an Accepting Shareholder will ultimately be bought-back. The total number of Shares which will be bought-back by the Company will not exceed the Maximum Number.

Fractions of Shares will not be bought-back under the Offer and, accordingly, the number of Shares that the Company will buy-back from each Accepting Shareholder in accordance with the above formula will be rounded up or down to the nearest whole number at the discretion of the Company, provided that the total number of Shares which will be bought-back by the Company will not exceed the Maximum Number.

The decision of the Company as to any scaling down of acceptances in accordance with the above formula and as to the treatment of fractions will be conclusive and binding on all Shareholders.

OVERSEAS SHAREHOLDERS

The making of the Offer to Overseas Shareholders may be subject to the laws of the relevant jurisdictions. The laws of the relevant jurisdictions may prohibit the making of the Offer to Overseas Shareholders or require compliance with certain filing, registration or other requirements in respect of the Offer. The Company reserves the right, subject to the consent of the Executive and the relevant legal requirements, to make special arrangements with respect to Overseas Shareholders whose receipt of the Offer Document and the Form of Acceptance is subject to the laws of the overseas jurisdiction. As at the date of this announcement, the Top Group Concert Group holds 406,478,940 Shares, representing approximately 45.75% of the issued Shares as at the date of this announcement. Pursuant to Rule 32 of the Takeovers Code and Rule 6 of the Share Buy-backs Code, if as a result of a share buy-back, a Shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition for the purposes of the Takeovers Code.

Depending on the level of acceptances received from the Accepting Shareholders pursuant to the Offer, taking into account the Irrevocable Undertakings and assuming that no Share Options will be exercised by their holders prior

to completion of the Offer and all the Conditions are fulfilled, the aggregate interests of the Top Group Concert Group may increase to a maximum level of approximately [51.55]% upon completion of the Offer, thereby triggering an obligation under Rule 26 of the Takeovers Code for Top Group to make a mandatory general offer for all the Shares not already owned by it and parties acting in concert with it. Accordingly, an application will be made to the Executive by Top Group for the Whitewash Waiver.

The Offer will be conditional upon approval by more than 50% of the votes cast by the Independent Shareholders, in person or by proxy, by way of poll at the EGM, the Whitewash Waiver being approved by at least 75% of the votes cast by the Independent Shareholders, in person or by proxy, by way of poll at the EGM and the Whitewash Waiver being granted by the Executive.

If the Offer or the Whitewash Waiver is not approved by the Independent Shareholders, or if the Whitewash Waiver is not granted by the Executive, the Offer will not proceed and will immediately lapse.

Depending on the level of acceptances received from the Accepting Shareholders pursuant to the Offer and in the event that the aggregate interests of the Top Group Concert Group exceed 50% of the issued Shares upon completion of the Offer, the Top Group Concert Group may increase its aggregate shareholding in the Company subsequent to completion of the Offer without triggering any obligation under Rule 26 of the Takeovers Code to make a mandatory general offer.

As at the date of this announcement, the Company does not believe that the transactions under the Offer and the Whitewash Waiver would give rise to any concerns in relation to compliance with other applicable rules or regulations (including the Listing Rules) in Hong Kong. If a concern should arise after the release of this announcement, the Company will endeavour to resolve the matter to the satisfaction of the relevant authority as soon as possible but in any event before the despatch of the Offer Document. The Company notes that the Executive may not grant the Whitewash Waiver if the transactions under the Offer and the Whitewash Waiver do not comply with other applicable rules and regulations.

INFORMATION ON THE TOP GROUP CONCERT GROUP

Top Group is a company incorporated in the British Virgin Islands with limited liability, a Shareholder holding approximately 39.96% of the issued Shares as at the date of this announcement, and a corporation accustomed to act in accordance with Mr. Wong's direction. The Top Group Concert Group comprises Top Group and parties acting in concert with it (including Mr. Wong, Mr. Cheung, Worship Limited and Ms. Wong). Each of Mr. Wong, Mr. Cheung and Ms. Wong are executive Directors of the Company. Worship Limited is a company incorporated in the British Virgin Islands with limited liability and is a company controlled by Mr. Cheung.

Please refer to the section headed “*Irrevocable Undertakings*” for further details of the Shares held by the members of the Top Group Concert Group.

FUTURE INTENTIONS ON THE GROUP AND THE TOP GROUP CONCERT GROUP

It is the intention of the Group and the Top Group Concert Group that the Group will continue to carry on its business and research and development, and the Company's listing on the Stock Exchange will be maintained upon completion of the Offer. The Group and the Top Group Concert Group do not have specific plans: (a) to introduce any major changes to the existing principal business of the Group (including, without limitation, those set out under the section headed “*Information on the Company and the Group*”); (b) to re-deploy the material fixed assets of the Group; or (c) to discontinue the employment of the employees of the Group other than in the ordinary course of business of the Group or due to personal performance or conduct issues.

REASONS FOR AND FINANCIAL EFFECTS OF THE OFFER

The Company considers that:

- (a) the current Share price does not reflect the intrinsic value and business prospects of the Group;
- (b) the Offer reflects the Company's confidence in its potential growth and long-term business prospects;
- (c) actively optimising the Company's capital structure through implementing the Offer will enhance earnings per Share, net asset value per Share and overall Shareholder's return; and
- (d) the Group's investment and development strategy is for its long-term growth and sustainability, such as continued exploring different new venture projects, expansion of distribution and sorting capacity, and requires investment over a period of time. The projects under current development by the Group are expected to be sufficiently funded by the Group's strong liquidity and financial resources (after taking into account the expected payment obligations under the Offer). Such strategy may, in the short to mid-term,

affect the Group's profit and overall financial performance. Given the wide pool of Shareholders with diverged investment objectives, such strategy may not align with those who seek short-term returns or consistent dividend pay-out. The Offer will offer some opportunities for exit by such Shareholders.

After evaluating its cash position and near-term cash optimisation options, the Company believes that making the Offer is the best use of the Company's cash and is in the best interest of the Company and its Shareholders as a whole. The Offer will enhance the earnings per Share and net asset value per Share of the Group upon completion of the Offer and cancellation of the Shares to be bought back. Taking into account the expected payment obligation under the Offer in full, the Company expects to have sufficient funds to finance its operations and to meet its financial obligations as and when they fall due.

The Offer Price represents a premium of approximately [●]% over the closing price of the Shares of HK\$[●] as quoted on the Stock Exchange on [●] 2024 (being the Last Trading Day), a premium of approximately [●]% over the average closing price of the Shares of approximately HK\$[●] as quoted on the Stock Exchange for the last 30 trading days up to and including the Last Trading Day and a discount of approximately [10.8]% to the Group's net asset value attributable to the Shareholders of approximately HK\$2.41 per Share pursuant to the latest audited consolidated financial statements of the Company as at 31 December 2023.

The recent liquidity of the Shares has been at a relatively low level, with the average and median daily trading volume of approximately [●] Shares and [●] Shares between the beginning of 2024 and the Last Trading Day, compared to the average and median daily trading volume of approximately 4.0 million Shares and 1.4 million Shares respectively in 2023, and approximately 2.2 million Shares and 1.3 million Shares respectively in 2022. Consequently, the Offer provides an opportunity for the Shareholders to at least partially realise their investments. The Offer provides the Shareholders an option either to tender Shares at a premium over recent market prices, or to increase their proportionate equity interests in the Company by retaining their shareholdings and participating in the future prospects of the Group. After completion of the Offer and cancellation of the Shares to be bought back, all Shareholders will benefit from the enhanced earnings per Share and net asset value per Share and optimised capital structure.

Further details of the financial effects of the Offer, including the effects of the Offer on the net assets of the Group, the Group's net asset value per Share, the earnings of the Group and earnings per Share, will be set out in the Offer Document.

11

In accordance with Rule 3.8 of the Takeovers Code, the full text of Note 11 to Rule 22 of the Takeovers Code is reproduced below:

“Responsibilities of stockbrokers, banks and other intermediaries

Stockbrokers, banks and others who deal in relevant securities on behalf of clients have a general duty to ensure, so far as they are able, that those clients are aware of the disclosure obligations attaching to associates of an offeror or the offeree company and other persons under Rule 22 and that those clients are willing to comply with them. Principal traders and dealers who deal directly with investors should, in appropriate cases, likewise draw attention to the relevant Rules. However, this does not apply when the total value of dealings (excluding stamp duty and commission) in any relevant security undertaken for a client during any 7 day period is less than \$1 million.

This dispensation does not alter the obligation of principals, associates and other persons themselves to initiate disclosure of their own dealings, whatever total value is involved.

Intermediaries are expected to co-operate with the Executive in its dealings enquiries. Therefore, those who deal in relevant securities should appreciate that stockbrokers and other intermediaries will supply the Executive with relevant information as to those dealings, including identities of clients, as part of that co-operation.”
